

Keeping Safe: Child Protection Curriculum

Revised second edition summary of changes

The Revised second edition of the Keeping Safe: Child Protection Curriculum (KS:CPC) is now available on the [KS:CPC portal](#) for teachers who have completed the full day training.

General changes

Updated all relevant policies, frameworks, guidelines, documents and changed DECD to Department for Education. Replaced resources that were not available or out of date.

Minor changes to language.

Minor update to information such as domestic and family violence, student diversity, sexual diversity, culturally and linguistically diverse backgrounds and resources in the appendices.

Update to consent and online safety topics or concepts.

Consent changes

The KS:CPC provides a holistic and developmental approach to consent from age 3 – year 12. An information section has been added in the general introduction as well as a list of the key learning objectives and concepts that are embedded throughout the KS:CPC (see [KS:CPC and consent](#)). Topics have been strengthened and changes can be found on the following pages:
